Struttura: legno massello e pannelli di multistrato rivestiti con cinghie elastiche e vellutino accoppiato.

Imbottiture: tutte le imbottiture sono in poliuretano espanso indeformabile a diverse densità, rivestite con una falda di dacron.

Rivestimento: non sfoderabile in tutte le versioni.

Versioni: divano componibile, realizzabile su misura e con possibilità di meccanismi relax elettrici ZERO WALL, nelle sedute con meccanismi relax si abbinano anche i poggiatesta motorizzati e sono azionabili indipendentemente, nelle sedute fisse i poggiatesta sono esclusivamente manuali.

Structure: solid wood and multilayer panels covered with elastic belts and coupled velvet.

Padding: all padding is in non-deformable polyurethane foam in different densities, covered with a layer of dacron.

Covering: not removable in all versions.

Versions: modular sofa, made to measure and with the possibility of ZERO WALL electric relax mechanisms, in the seats with relax mechanisms, the motorized headrests are also combined and can be operated independently, in the fixed seats the headrests are exclusively manual.
